Fixture Name:-	Mac Aura
Fixture Type:-	Moving Yoke LED Wash unit
DMX Channels:-	19/25 depending on Mode
DMX In/Out:-	5 pin Locking XLR
Lamp Type:-	Osram Ostar high-power emitters
Peak Output:-	3,850 lumens
Weight:-	5.6 Kgs
Dimensions:-	302mm(L) x 302mm(W) x 360mm(H)
Consumption:-	1.1 Amps
Fuse:-	5 Amps

Features and Applications

The result of out-of-the-box creative thinking and pioneering optical research and development, the MAC Aura is the first compact LED moving head wash light with zoom that offers never-before-seen eye-candy aura effects plus functions as a highly capable single-lens wash with fully pre-mixed color.

The Aura's ground-breaking optical system combines multicolor beam LEDs with a secondary LED lens array illumination to produce an all new visual palette that takes the synthetic look out of LED wash lights and allows for truly unique lighting design possibilities.

Colour mixing:-	Primary RGBW colour mixing with Aura (secondary lens array illumination) RGB colour mixing. Beam and aura electronic 'color wheel' effect: 33 LEE-referenced colors plus white, variable- speed color-wheel: rotation effect and random color
CTC Mixing:-	Variable CTO between 10000k and 2500k
Effects:-	Pre-programmed effects: Synchronized beam and aura macros
Dimmer:-	Electronic dimming, independent beam and aura with a choice of 4 dimming curves
Shutter:-	Beam and aura independent shutter effects: Electronic, with regular and random pulse, burst and strobe effects.
Zoom:-	amazing 11° - 58° range
Movement:-	540° Pan, 232° Tilt with adjustable speed
