Fixture Name:-	VLX Wash
Fixture Type:-	LED Moving Yoke Wash unit
DMX Channels:-	23
DMX In/Out:-	5 pin XLR
Lamp Type:-	7 x replaceable 120w custom RGBW chipsets
Peak Output:-	Approx. 14,000 lumens
Colour Temp:-	Variable between 3000 and 9000k
Weight:-	28 Kgs
Dimensions:-	443mm(L) x 461mm(W) x 696mm(H)
Consumption:-	3.8 Amps
Fuse:-	

Features and Applications

The VARI*LITE® VLX™ Wash luminaire incorporates the most attractive benefits of LED lighting technology with the product quality and design ingenuity only found in VARI*LITE automated luminaires.

By giving lighting designers the unique ability to replicate the color temperature of a tungsten or arc lamp source, this truly revolutionary luminaire offers an incomparable flexibility never seen before in the LED lighting market.

With stunning colors, powerful intensity, a multi-year source life, low energy consumption and even lower maintenance costs, the VLX Wash luminaire truly is the new face of LED lighting technology.

The next step in the evolution of Varilite, a seriously considered unit for a serious designer....
